## TOURS

### Daily Bat Watching Sunset Cruises

It is a spectacular sight to see the bats emerge from the bridge at sunset! An estimated 1.5 million Mexican free-tailed bats live under the Congress Avenue Bridge. It is the largest urban colony in North America! Come relax on the lake, observe our unusual attraction, and listen to the narration and history provided by your captain.

## AUSTIN, TX RESTAURANTS WE RECOMMEND

### Juliete

The scent of wood fired smoke and fresh seasonal ingredients greets you at the door of this delightful Italian restaurant. All of their delicious pastas are made fresh daily. House-made pastries and breads complements the menu as does their inviting cocktail selections, curated wine list, and beer offerings. Sit inside for a romantic dinner or visit early and enjoy lunch out on the patio.

### Oseyo

Oseyo is a new Korean restaurant on the East Side that makes for a great night out. Classic Korean stews (jigae), noodles (like the vegetable-studded, sweet potato noodle dish, japchae), and wood-grilled proteins dominate the menu. Starters include things like Tong Dak fried chicken and dumplings, but the real standouts are the Dolsot bibimbap in a stone bowl and the slightly-sweet bulgogi with chili paste & kimchi.

### NEW- Carve

Perry's Steakhouse & Grille has expanded with a brand new, comparatively more casual restaurant. Focus is on fiery cooking methods like live-fire, smoking, and wood-grilling, with a wider menu than Perry's. Everything about CARVE is inspired by fresh and eclectic ingredients and also boasts a butcher shop where fresh cuts of meat can be taken home!
