

THE OWNERS CLUB ABOUT RESERVATIONS

ABOUT RESERVATIONS

Each Ownership receives 27 nights a year to use at The Owners Club. Reservations are able to be reserved in increments of 3, 4, 7, 10, 11, 14, 21 or 27 nights. Check-in days are Sundays, Wednesdays, and Thursdays. Members are urged to submit their reservation requests a year in advance on the corresponding due dates.

The only requirement is that (6) nights must be used during our off-season, known as "Sports Season", which typically runs from the beginning of December through the middle of March when our calendar year ends. However, this excludes the week of Christmas & New Year due to the higher demand for the holidays. The remaining 21 nights may be used at any time during the calendar year.

This policy helps members to spread their reservations out and gives everyone equal opportunity to reserve time during the busier season.
